Dear [Redacted] 25X1A9A

We are enclosing a copy of the National Capital Planning Commission's August 10, 1971, letter stating the Commission's approval of the preliminary site and building plans for the garage at Central Intelligence Headquarters.

In accordance with Item 1 of their letter, a preliminary master plan of the site should be developed as soon as possible for submission to the Commission on or before the date we submit for final approval. At this time, we propose to resubmit within six months. 118

Also, in accordance with Item 2 of their letter, we suggest that you prepare a statement now for conferring with the National Park Service on the continued use of Central Intelligence Agency buses on the George Washington Memorial Parkway.

We will be happy to assist you in preparing the desired information and would like to meet with you to discuss this at your earliest convenience.

Sincerely,

H. F. Offenbacher
